

# Area9 at Rockwiz in Darwin!

**Area9 staff entered a vibrant, fun and quirky competition recently!**

The Area9 leadership team gave three lucky staff an opportunity to win double tickets to the Rockwiz show, being performed and filmed live in Darwin in August.

Area9 staff members were invited to respond to 40 quiz questions to showcase their knowledge of Area9 corporate and staff culture.

With many informative and hilarious responses, it was a hard decision, as all staff deserved to win. The three lucky winners comprised Jackie Leonard, Tim Sherry and Steven Watson. Congratulations!
