

Community Focus at Area9

Local people look after local people. Darwin IT company Area9 is proud to embrace its social responsibility, by providing support to Territory-based charity and not-for-profit organisations, for the benefit of the wider community.

Area9 is pleased to have played a role in the ongoing community contribution made by Anglicare NT, Carers NT Inc, Council for Aboriginal Alcohol Program Services Inc, Menzies School of Health Research, St. John Ambulance NT Inc, Carpentaria Disability Services, Amity Community Services Inc, NT Council of Social Service Inc, Dawn House, and Healthy Living NT.

Area9 has a passion for assisting these charity and not-for-profit organisations, to enable Area9 to give back to the community, foster goodwill and get involved.

Thank you for your kind donation. We greatly appreciate your generosity, and will use the funds to continue raising the profile of diabetes in the community.

Healthy Living NT

Thank you for your generous donation. Your gift will help us to create knowledge to improve methods of prevention, diagnosis and treatment to improve the health and wellbeing of people in Australia and the Asia Pacific region.

Menzies School of Health Research
